

# Join Ponce Hotwire

## Stay Connected

Ponce Family,

Ponce Middle has numerous activities taking place throughout the year both on and off campus. We use two services in order to reduce the use of paper! Ponce will be sending important reminders about events using text messages and blackboard connect. **You are automatically signed up for blackboard connect when you place your email on the emergency contact card.** If you *do not* change, add, modify your email address, you will not receive school email! Remind101 is a text service that allows teachers and students to sign up and receive important information and reminders on their phone. Sign up now to receive updates on important deadlines, meetings and school sponsored events!

Please send a text to **(425) 409-6118** with the message:

<b>@ponceho</b>	<b>All Classes, all students &amp; parents</b>
<b>@poncehot</b>	<b>Grade 6</b>
<b>@poncehotw</b>	<b>Grade 7</b>
<b>@poncehotwi</b>	<b>Grade 8</b>

It is recommended that you sign up for both school wide messages as well as messages for the class. You will then receive a verifying text message from **Ponce Hotwire** asking for your full name. ***Please do not use fictitious names or you will be deleted from the list.*** After sending your full name, you will have completed the registration process. If you do not have a cell phone, please visit this link: [www.remind.com/join/ponceho](http://www.remind.com/join/ponceho) or any of the codes on the list to follow [www.remind.com/join/\\_\\_\\_\\_\\_](http://www.remind.com/join/_____).

We hope that you find this to be an effective way to be informed!

Sincerely,

Martha C. Chang, Principal
